#### *Item A – Set Millage Rate in the Tax Digest for the year 2025*

The Sole Commissioner, Noah Bishop, **Approved & Signed** the Resolution to set to set a millage rate on the Tax Digest for the year 2025. Upon consideration of the total digest and the amounts of money needed to meet the 2025 budget, it is ordered that there be levied upon the taxable property in Murray County, Georgia and collected by the Tax Commissioner or his Successor in office, the following taxes for legal purposes for the year:

	<u>Unincorporated</u>	<u>Incorporated</u>
Gross Millage Rate	12.230	12.230
Less Sales Tax Rollback	4.225	4.225
Less Insurance Premium Rollback	-0-	-0-
Net Maintenance & Operation Millage	8.005	8.005
 School Maintenance & Operations	 15.448	 15.448
School Bond	-0-	-0-
State of Georgia	-0-	-0-
Total millage	23.453	23.453

The Murray County Sole Commissioner has this date adopted a resolution setting the Murray County Tax Rate for 2025 in the Special District created by the Local Option Sales Tax Law, which rate is 12.230 mills.

The Commissioner does direct that sales tax revenue be applied as a credit to that amount of property tax levied for in mills in order that County Taxes (less County Bond, State and Board of Education) be rolled back 4.225 mills for the Special Tax District of Taxation for Services.

According to Chapter 8 of Title 33 of the Official Code of Georgia relating to insurance fees and taxes does provide that the proceeds from County Taxes arising upon insurance premiums be used by counties for the purpose of reducing ad valorem taxes of the owners of unincorporated areas in the county.

Commissioner Bishop agrees it has been determined by the Insurance Commissioner of the State of Georgia that the rollback of taxes is to be equal to the amount of insurance tax proceeds generated during the year 2024, \$2,993,874.34 less \$2,993,874.34 used to fund fire services, solid waste collection, and Land Use provided in the Unincorporated area of the county, therefore the rollback shall be in the amount of \$0.00 which has been received by Murray County

The Murray County Commissioner directs that the tax derived upon insurance premiums as defined by said act and in an amount as set forth above, shall be applied as a credit to the property tax levied and the millage setting the Murray County tax rate for 2025 shall be rolled back 0.000 mills in the unincorporated areas of Murray County.

The millage after the sales tax rollback in the incorporated area shall be 8.005 mills for the year 2025 and the millage in the unincorporated areas after applying the insurance premium and sales tax rollbacks shall be 8.005 mills for the year 2025.
