**David McDaniel, all in favor, none opposed, motion carried.**

**Steve Anglea read rules of order and opened the public portion of the meeting.**

**New Business:**

**Item 1. Re/Classification of Property from AG to SR owned by Denise Reneau, being 1 acre in land lot 17 district 10 of Murray County and addressed on Tennga Gregory Road. The property owners were not present for the meeting which constituted an automatic denial of the request. Edward Dunn made the motion to deny the request 2<sup>nd</sup> by Darrell Smith, all in favor, none opposed, motion carried request denied.**

**Item 2. Re/Classification of property from SR to AG owned by Debra Turner/Veler, being 15.16 acres in land lot 260 district 8 of Murray County and addressed as 3931 Maple Grove Church Road. Ms. Veler was present for the meeting. Dick Barnes**

said the request was in order for presenting and said the office recommends approval. Nancy Young said all notices had been sent to adjacent property owners. No one present either for or against the request, Chairman Anglea closed the public portion of the meeting for board discussion. Darrell Smith made a motion to approve the request 2<sup>nd</sup> by Edward Dunn, all in favor, none opposed, motion carried.

Item 3. Re/Classification of property from SR to RR owned by Anglea Baggett in land lot 213 district 9 of Murray County being 1 acre and located off Greeson Bend Road. Mr. and Mrs. Baggett were present for the hearing. Dick Barnes said that the request was in order for presenting and the property is surrounded by SR properties and normally we could not recommend approval, however, in this case the original tract is 5.14 acres and is fairly narrow with limited road frontage and if the proposed 1 acre tract is located towards the rear of the property then it would have minimal effect to the area. In that scenario the staff would recommend approval. Nancy Young said all notices had been sent to adjacent property owners. Mr. Baggett told the board that he would like to put a mobile home on this property for his son, he explained how the home would be put on solid foundation with porches front and back and would not be seen from the main road. No one present either for or against the request, Chairman Anglea closed the public portion of the meeting for board discussion. After discussion of the zoning map and creation of islands in a predominately SR area David McDaniel made a motion to deny the request, 2<sup>nd</sup> by Darrell Smith, all in favor, none opposed, motion carried.
