### **Press Release**

#### For immediate release:

RE: All Branches Set To Reopen

Welcome back! We have missed you. On July 6th, we're once again offering all library services without requiring appointments or placing limits on the amount of time you can visit the library. Our hours are reduced slightly due to staff shortages and you may see our staff setting up computing labs and local history departments.

See our website [ngrl.org](http://ngrl.org) for the most up-to-date hours at your favorite branch in Calhoun, Chatsworth, or Dalton.

We can't wait to see everyone!

Sincerely,

Northwest Georgia Regional Library staff and the boards of trustees
